

**NICK HAAG, PGA**

### **Hello everybody and welcome to the 2011 golf season!**

It's been a long winter and I couldn't be more ready for the season to get underway. I bet you are too. As you probably know, I'm returning for my third season and I'm really looking forward to working with you all again. This year I'll continue offering private lessons and will also be continuing to do Tuesday Ladies Clinics. And new for this year, I'll be offering Men's Clinics on Saturday afternoons for all skill levels.

### **Private Lesson Info and Teaching Philosophy**

Private lessons are available year round and can be tailored to whatever you want to work on. In the first lesson that we have together, I like to get to know you and learn as much as I can about your golf game and your goals. Here's what you can expect:

- I have a strong passion for teaching and love working with all skill levels.
- I'm a very relaxed teacher.
- I want to create an environment that's fun and makes it easy for you to learn and understand.
- I don't believe in using big confusing golf terms.
- I try to communicate as simply as possible whether it is verbal, through demonstration or through the use of training aids.

### **Teaching technology is amazing now**

There are several great training aids that I love to use. However my favorite is my phone—believe it or not. I can record your swing in high quality video and then replay it back to you in super slow mo right on the range. Every time you take a lesson I'll record your swing and then email you the video afterwards so that you have it to look at and compare it to future lessons. If you haven't seen your swing on video before, I strongly recommend this. I love teaching all aspects of the game. Whatever you want to work on, I am here to help. Driver, fairway woods and hybrids, irons, uneven lies, wedges, chipping, pitching, bunker play, putting, mental game...whatever you want!

**NICK HAAG, PGA**

#### **PRIVATE LESSON RATES**

45-minute lesson...\$45

3 lesson package...\$120

30-minute junior lesson...\$25

5 junior lesson package...\$100

## **Ladies Clinics**

Ladies clinics will be offered the first four Tuesdays of May at 5:30 and 6:30 each for an hour. Information and class descriptions will be posted in the ladies locker room by the start of the season. Clinics will be a little different this year. I want to reward you all for your participation so the more clinics you attend the better price it will be. I'm asking you this year to sign up and pay in advance. Here's why: The past couple seasons the first session would fill up, but only half of the ladies who signed up would show up which turned some people away. I want everyone to be able to attend the session that works best for them. You'll be able to sign up and pay in the golf shop.

### **LADIES CLINIC RATES**

1 Clinic...\$10  
2 Clinics...\$15  
3 Clinics...\$25  
All 4 clinics for only \$30

## **Men's Clinics**

I'm excited to start conducting some Men's Clinics for the first time. All skill levels are welcome to come and give it a shot. These clinics are designed to get you "golf ready" for the season so you can enjoy the game and achieve your goals. The clinics will be on select Saturday afternoons and run for an hour. I want these clinics to be very hands on and involving with lots of interaction between myself and you. As you all know golf is not played on the driving range. Therefore I'll be stressing on-course situations. Different situations, shots, lies and club selections will be tried and tested. I want to cover as many different areas on the golf course that you all frequently end up in. Please keep an eye out for more information posted through e-mail and also in the men's locker room. Clinics will be \$10 each.

### **MEN'S CLINIC RATE**

Each clinic...\$10

So here's to improving your game and getting even more enjoyment out of your rounds – I am looking forward to working with you all again this year.
